

Stephanie Anastasia

SENIOR DESIGNER AND ART DIRECTOR

I'm what you might call a typical art and culture junkie, it's who I am to my core and I draw inspiration from all creativity and forms of expression. Inspiration is everywhere.

Coming from a family involved in design and art, it has always been a part of my life. It's in my blood. I'm a bit of a chameleon when it comes to design and pride myself on being a highly integrated creative.
